Director's Dictation

Wow where did September go? I know our Teachers had been planning and waiting to meet and greet their new friends and now those first couple of weeks are over! I can't thank you all enough for such a smooth start. Our families' trust and faith in us has transferred a very positive beginning for our little people, we feel a wonderful year has begun! Please continue on the road of communication with your teachers and myself. We truly believe this is a partnership. Please know that I try to always be available for any reason. I may not have all the answers but I'm full of advice and I just ask any of our alumni parents!

"You rarely have time for everything you want in this life, so you need to make choices. And hopefully your choices can come from a deep sense of who you are".

From the book "The World According to Mr. Rogers"

Ghoulish Gala & Petting Zoo

Our annual PAB (Parent Advisory Board) sponsored "preschool carnival style games" gala will be held during class time on Wednesday **October 29th** and Thursday **October 30th**. We welcome Parent Volunteers! The petting zoo is an added bonus!

Halloween Parade & Bake Sale

Another annual event is our Halloween Parade on **Thursday 30th & Friday 31st**. Children may wear their costumes, however **no masks please**. Check with your child's class as to parade times.

Our Parent Advisory Board

Our Parent Advisory Board has been planning all summer also for September to start. They have some very exciting opportunities for our families to participate in this year. I can't encourage you enough to take advantage of these opportunities. Our Board has chosen the path of family activities. You won't find the need of selling door to door. The opportunities for fundraising this year will be "family friendly". We also think it is important to know where the monies are spent. The Parent Advisory Board (PAB) focus is on Enrichment. The added activities to our program could not happen without the their support. **Enrichment includes our Music Program, Ghoulish Gala, Snow Day, Pajama Party, Book Exchange, Marine Life and/or Reptile Family, playground and classroom improvements, Parent Education, Teacher Appreciation and support for Continuing Education for our teachers.** As you can see by this list it is no small task to offer these programs and yet they are all vitally important to the continued success of your children's early childhood experience. We thank you for your support!

Lunch Bunch Program

Our very popular Lunch Bunch program has had its first registration. We are very excited to offer this opportunity to extend your child's day to our program. We still have a few openings especially on Tuesday and Thursdays. This program is under the coordination of Annette Druian. Please look forward to information on registration in October for November openings and opportunities.

Don't Miss our Annual Family Fun Dinner!

This is a WPCP tradition you won't want to miss! Our Parent Board sponsors this dinner as an opportunity for family's to join together for fun and food. Entertainment for the whole family is included in the ticket price. See you all on Saturday October 4th.

Picture Day!

Smile picture day is coming! A past parent of WPCP and professional photographer of EveryKidzaStar, David Sturgis will be on hand to photograph every child during the week of October 13th. Information and order forms will be available through the classrooms very soon. We will also be asking for parents to volunteer to help "shuffle" the kids back and forth.

Please Join Us at Open House--- Thursday, October 23rd

"What did you do at school today?" "I played!" Well, on the evening of Thursday, October 23rd from 7:00 p.m. to 8:00 p.m., teachers will be on hand to welcome you. This is an opportunity for your little ones to share their "new room" and show you some of their favorite areas of activity

while they are at school. Coming to Open House will give you a whole new perspective on the term "**Played**" as you will see first hand exactly how children's "play" is their work.
